**February**

Ha, snow  
upon the crags!  
How slow  
the winter lags!  
Ha, little lamb upon the crags  
How fearlessly you go.  
Take care  
up there,  
You little woolly atom! On and on  
He goes... 'tis steep..Hello  
My friend is gone!

### **Notes from St Margaret's**

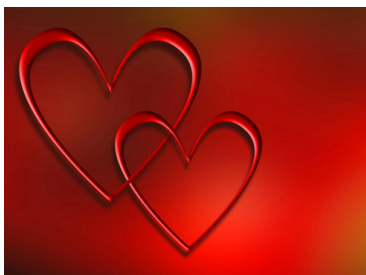

As we approach the end of winter we look forward to the appearance of flowers such as crocus and snowdrops, in our gardens. It is the first sign of warmer weather.

It also marks the beginning of longer hours of daylight while the shops are already selling Easter eggs not forgetting for the romantic, cards for St Valentine's Day.

For me, a very mature guider, February is the annual Thinking Day, a special day for both the scouting and guiding movements. February 22 was the joint birthdays of the founders, Lord and Lady Baden-Powell and this year, a special anniversary for brownies.

Lent is almost here, but because of a late Easter, it will not begin until March.

Best wishes , Margaret Gray
