Prayer of the Month

Steer the ship of my life, good Lord, to your quiet harbour,
Where I can be safe from the storms of sin and conflict.
Show me the course that I should steer.
Renew in me the gift of discernment,
So that I can always see the right path in which I should go.
And give me the strength and courage to choose the right course
Even when the sea is rough and the waves are high,
Knowing that through enduring hardship and danger
We shall find comfort and peace.

*A prayer from St Basil of Caesarea (330 – 379) that is as valid today as it was
when it was written more than 1600 years ago!*

From your Rector

Dear Friends

I have a book that I sometimes dip into to spark ideas off for my sermons – it is entitled 'Living Stones' which, when you think about it, we all are – living stones of the Church, generation by generation, stewards during our lifetime.

As we approach the 115th anniversary of the building of our lovely little church I have been thinking about the 'living stones' who were responsible for its building and the drawing together of the first members and those who have kept 'witness' here in this community over the years

We are planning a special day to celebrate our anniversary on the feast day of St Margaret which falls on Wednesday 16th November. Plans are still on the drawing board but during the early evening we will have our patronal Eucharist and will follow this with a wine and nibbles evening to which we intend to invite representatives of the different groups that use our hall. Without their patronage we would struggle to maintain our Christian witness here in this community.

Before these celebrations some of us will be following in the footsteps of Saint Margaret when we make our church outing to Dunfermline to visit the Abbey and Abbot House on the afternoon of Sunday 2nd October. I was ordained into the priesthood on Margaret's feast day in 2008 and am very much looking forward to finding out more about this exceptional woman who as a queen and later a saint has made a huge impact on the religious, cultural and historical landscape of Scotland and for whom our church is dedicated. A truly remarkable 'living stone' whose legacy lives on and on.

With love and prayers, Christine

From our Service Registers

This month can we please remember in our prayers those whose anniversary of death falls at this time: Jim Henderson and Miss Peter.

Book Group

A number of people, some from within St Margaret's and from other churches, have expressed an interest in reading at home then coming together to discuss the book 'In the shadow of the Galilean' by Gerd Theissen - a book that one reviewer said "brings alive the culture and people around Jesus". If you are interested in taking part, please let me know, copies are available from Amazon if you wish to have your own copy, alternatively I should be able to borrow some.
