Do Not Judge....

Do not judge a biography by its length,
Nor by the number of pages in it.
Judge it by the richness of its contents.

Sometimes those unfinished are among the most poignant...

Do not judge a song by its duration
Nor by the number of its notes
Judge it by the way it touches and lifts the soul

Sometimes those unfinished are the most beautiful...

And when something has enriched your life
And when its melody lingers on in your heart
Is it unfinished?

Or is it endless. Anon

Notes from St Margaret's

As we enjoy the long, warm summer days, it is hard to realise that by the end of August we will be approaching the beginning of autumn.

It will be changing times for St Margaret's congregation as, sadly, we say farewell to Elisabeth as she leaves Tayport for university in London. We will miss her beautiful and lively music that we have been privileged to hear her play over the last few years. We wish her the very best for her next step in her musical career.

Music is an essential part of our Christian worship. It expresses our harmony with God. It is wonderful to contribute, whether to play or sing or just listen to the talents of skilled musicians or an orchestra or band. It unites all ages and for me, one of the most memorable parts of the Tayport Holiday Club week was to see and hear the children sing.

It is very hard to define our love of God in our regular worship but perhaps, at times, the impact of our musical worship can help.

Best wishes,

Margaret Gray
