Prayer for the Month

A prayer attributed to Saint Columba. Beautifully poetic, it expresses simple trust in God's guidance and protection. This doesn't mean, of course, that we are in anyway exempt from life's traumas and tragedies but we have the assurance that nothing finally will separate us from God's love.

Alone with none but thee, my God,
I journey on my way;
What need I fear when thou art near,
Oh King of night and day?
More safe am I within thy hand
Than if a host did round me stand.

A Prayer for our Children

Dear God, knowing you are with me when I am sad is like knowing that the sun is only hidden behind the clouds. Amen.

Something to make you smile

A little boy was overheard praying: "Lord, if you can't make me a better boy, don't worry about it. I'm having a real good time like I am.

From your Rector

Dear Friends

I have just returned from a trip to Norway during which I spent time with many people I have not seen for more than 30 years. What a wonderful opportunity this turned out to be, to 'go down memory lane' and catching up sharing each others stories and in many cases having the opportunity to meet new members of families. Flying back to Scotland yesterday morning, I had time to reflect, go back over the conversations and consider how all of our lives have been and continue to be shaped by the people we know and love. Also occasions that draw together families and close friends highlight the interconnectedness of us all; our lives and relationships interwoven on many levels – physically, emotionally and spiritually. This weekend we were all drawn together by two young people who were making their lifetime commitment to each other in marriage and each one of us, as guests, shared that experience together. Each one of us knew them in different contexts but we all shared in their special day – very powerful stuff when you think about it!

A powerful piece of news to share – Bishop David's Lent Appeal this year for the Arun-ima Hospice in Calcutta raised almost £4000 from the congregations in this diocese, £250 of which came from us. When we consider that each of our £1 goes a very long way in that country so much good work will be supported and a difference made to many lives as a result – a wonderful example of Christians reaching out to their neighbours.

Finally a story of real community spirit – we thought that our Afternoon Tea we held last Wednesday might not be as busy as usual as the Servite residents were holding a social afternoon. However, thanks to a timely conversation between a member of our congregation and one of the lady residents the seed was sown that they might like to change their date and they did! Consequently, we had a good turnout and a very convivial afternoon. Thanks to everyone who helped in any way to make it such a success –and – we raised approximately £200.

With love and prayers, Christine
